Palanga

Peaceful samogitian city and beautiful sea shore,
Always makes you happy the center of resort.
Look at the buildings and souvenir shops,
Amber here is more expansive than gold.
Nice yellow stone from the sea,
Giant one is in Amber museum.
And if you want to know more, visit the best of resorts.

Seaside

Stormy weather in the fall
Excited people at the beach
Adorable view of the sea
Smiling sun in the summer
Icy weather in the winter near the sea
Dangerous waves with strong wind
Enormous sea creatures swimming in the depths of
the sea

Domas Burba

Amber

As I lay on the beach
My mind was full of peace
Best memories without Cease.
Even though the day was rough
Right now I feel enough.

Beach

Burning hot sun
Every day is only one
Afternoons are so much fun
Cafes and memories have just begun
Hanging out until we're done

Ainė Dmitrijevaitė

Summer

See you walking across the street
Unforgettable memories
Million places to meet
Million places to eat
Even though I think you're sweet
Really you're obsolete

Ainė Dmitrijevaitė

Waves

When the storm begins
And dark clouds appear in the sky
Very angry sea
Even in the daytime
Starts to wave strongly

Amber

All magical stones are laying on the sand
Many people are collecting them
Because they are like gold
Every stone is shining in the sunlight
Really nice view

Ugnė Galdikaitė

Seaside

Seashells are laying on the sand
Everything is excellent
And seagulls are screaming in the air
Sand is glowing like gold
In bright sunlight
Days are lovely
Evening sun is magical

Ugnė Galdikaitė

Park

Pink sky, clouds white
Ask what the sky is today, I will answer quietly
Red, pink, white no matter, the heart of mine belongs to
you
King of this night, sunset only one

Amber

Actually feeling awesome
Me and you, night and full moon
Be a child of the sea, that I may visit
Evenings I would spend in the dunes with my mind
Really I would become dependent on
you

Vytautė Girdžiūtė

Palanga

Play with a ball all day long
And laugh like a soft child
Live your best life here
All people wait for the summer
Now people from all around Lithuania come
here, to spend a summer like you do
Get away from school and chores
A best summer in Palanga waits for you

Apples fallen from the tree
New moon
