## Palangos miesteliui

Pick a hand, it's left or right  
A sandy beach and a starry night  
Let go of Your worries, let go of Your fright  
Ascend to this little Paradise  
Nights here are gorgeous, they don't let you forget  
Great dreams that you dream, ones you'll never  
regret  
Once an old, wishful oath, to the gods that used to  
roam  
Seed, they've planted, it has grown, to the town that  
you now know

Man-made wishes, we have so many, in this soil, that  
dreams restored,  
In this town, this place we live in, honestly, just come  
aboard.  
Endless seas, that you will see,  
Symphony of the mild breeze  
This belief of ours will lead  
Everything, we've known to peace  
Lithuania's a beauty, are you having any doubts?  
If you are, just visit us, and you'll rise up to the clouds  
Up above the house of gods, who have made this  
dream surreal  
If you visit Palanga, you'll know, everything i've said  
is real
