

## ACROSTICS about PALANGA

Class IIE

### Summer

Sunshine warming my toes,  
Underwater fun with my friends.  
Making homemade ice cream on the porch,  
Many long nights catching fireflies.  
Early morning walks to the creek,  
Revelling in the freedom of lazy days.

### Bridge

Beyond the light of sun  
Right around the corner  
Is the snowy winter  
Down the hill there is  
Good amount of snow  
Enough to cool your toes.

*Paulius Buitkus*

### Palanga

Painter Antanas Žmuizdinavičius  
Art is engaged  
Love put in there  
And we love him  
No one wants to see  
Gallery old in museum  
Art is not so important these days... Scary!

*Džesmintā Čepokaitė*

### Rain

Right when you step out of your house  
And look up at the skies  
I know you see the same  
Nothing new just rain you can't blame

### Pines

Peacefully walking in the woods  
Ice is crushing under my boots  
Next to you I feel amused  
Everything reminds me of our childhoods  
Simply enjoying the views

### Pier

Pretty boats sailing in the sea  
I can see they are waving to me  
Everyone is so excited to be  
Right next to the sea

### Beach

Because its warm again  
Everyone arrives here  
Among everyone you can see me there  
Calmly waiting till you come near  
Happily sunbathing and swimming up here

*Ugnė Bundulaitė*

## **Bridge**

Being on top of a big wooden thing  
Right under you, there's nothing you see  
If something breaks, you fall into the sea  
Don't be so scared you would be the first to  
fall into it  
Go and enjoy the beautiful sea  
Even the sun is watching, you see

## **Sand**

Standing on top you can't feel your feet  
After the sun is heating it up  
Nothing is better than standing in sea  
Doing your best so sand doesn't touch  
your feet

*Arnas Drungilas*

## **Sun**

She is really really bright  
Until it becomes the night  
No one is happy when she isn't outside

*Gedas Jucius*

## **Happiness**

How much have you been dreaming  
About a lovely evening  
Perhaps nearby the sea  
Photographing sunset and feeling free  
In sand your feet are resting  
Nature's gifts look quite impressive  
Each time you think and smile  
So thankful for this paradise  
Since being here in Palanga

## **Amber**

Amazed by little gemstone  
Magnificent and bright  
Before I gently grab it  
Every time  
Remember history behind it

## **Weather**

Winters aren't that cold  
Autumns quite rainy  
Tourists should know  
Here springs are chilly  
Every summer sun kisses our faces  
Reality most of the time it's very windy in Palanga

*Gabija Jonušaitė*

## **Palanga**

People love this city  
And know that it's the best  
Look, it's the most pretty  
And the best place to rest  
Nice when there are beaches  
Get there and catch the sun  
And try to make it fun.

*Viltė Kaunaitė*

## **Beach**

Being there it makes us smile  
Even when there is no sun  
All the people having fun  
Can you name a better place  
Happy heart and happy face

## **Anapolis**

All the mysteries it hides  
No one knows for what it was designed  
All the fallen puzzle pieces it left behind  
People scare the ghosts inside  
In the dark they come alive  
Let them live or let them die  
It's not up to us to decide  
So when you are planning a holiday, make  
sure you stay away.

*Gedas Jucius*

## **Pine**

Pointing their needles into me  
Important for the bees  
Near the beach  
Even green during the freeze

## **Sand**

Soft and smooth and also wild  
Always the food for a child  
Never leaving the seaside  
Dreaming about the sea beside

*Kamilė Lušytė*

## **Amber**

A lot of treasure  
May bring us pleasure  
Bright like the Sun  
Even when there's none  
Rare dots together

## **Beach**

Birds flying in the air  
Eating ice cream  
A plane dives into the sky  
Children playing in the sand  
How warm it is

## **Seaside**

Slow wind blowing  
Early sun growing  
All the trees shaking  
Scared to be breaking  
Inside the sand  
Does it land  
Early birds command

*Austėja Kuprytė*

## **Amber**

Always coloured as gold  
Made a thousand years ago  
Being brave through all those storms  
Even getting lost in the sandstorms  
Released from the sea and being archived inside me

*Kamilė Lušytė*

## **Street (Basanavičiaus)**

Square of Jūratė and Kastytis are
